### **THE MISSIONARIES OF TCCCW AND GLOBAL ORGANIZERS**

Praise be to our Lord and Savior Jesus Christ, who gave Himself as a ransom for our sins and through Him we are made holy and righteous unto God our Father and Creator of all things, visible and invisible. May you all enjoy the Grace and Honor brought by the emergency of the year 2026, the year of Our Lord.

We are grateful to the Almighty for His consistence help and for the gift of life; physical and Spiritual. His sustenance of our faith in His Son Jesus Christ and endowing us with the gift of the Holy Spirit is a sign enough that He loves us. We have gained access to eternity through our Faith in Jesus Christ and affirmed for being God's Children by the gift of a helper; the Holy Spirit.

Being aware of our commissioning to Spreading the Gospel to the whole world; making disciples, baptizing in the name of the Father, Son and the Holy Spirit and teaching disciples all what Christ taught us, is cynosure. We are therefore, reminded, by the dawn of this year 2026, to put more effort, resources and mind, with all our souls, to reaching more to the unreached, enter into the harvest because it is ripe and unfold more strategies of winning souls for Christ.

In this respect, I urge all of us to put strategies together globally, through partnerships, cooperations, collaborations and networking. Seeking "Macedonian Partners" for the support of mission works is key. Missionaries should again forward their strategic mission journeys before hand prior to the planning, resource mobilizations and allocations in order to make missions move smoothly and effectively.

This year, we must have clear goals and targets with specific methods for making missions achievable. Let us use media for popularization and reaching out, let us move with speed, for the days are evil, and let us bring sheaves to our Lord Jesus Christ.

I am calling global mission organizers to be swift in making them available early enough for the executions.

May we all enjoy life, and in abundance as we make Christ known to all humanity.

Amen.

Yours in Christ,
